MEMORANDUM FOR: Director of Current Production and Analytic Support

STAT FROM:

Director of Data Processing

SUEJECT: NBI Word Processing Equipment

REFERENCE: Memorandum for D/ODP from D/CPAS, dated 17 January 1983, same Subject

GARY -

In response to the referenced memorandum, I have instructed the Word Processing Branch to make every effort to identify cancelled NBI leases to satisfy the short-term need for NBI units that you anticipate. An inventory list of NBI cancellations will be maintained by the contracting officer in our Word Processing Branch in ODP, so that the NBI requests can be processed against this inventory.
